

Shirt Color Graphing

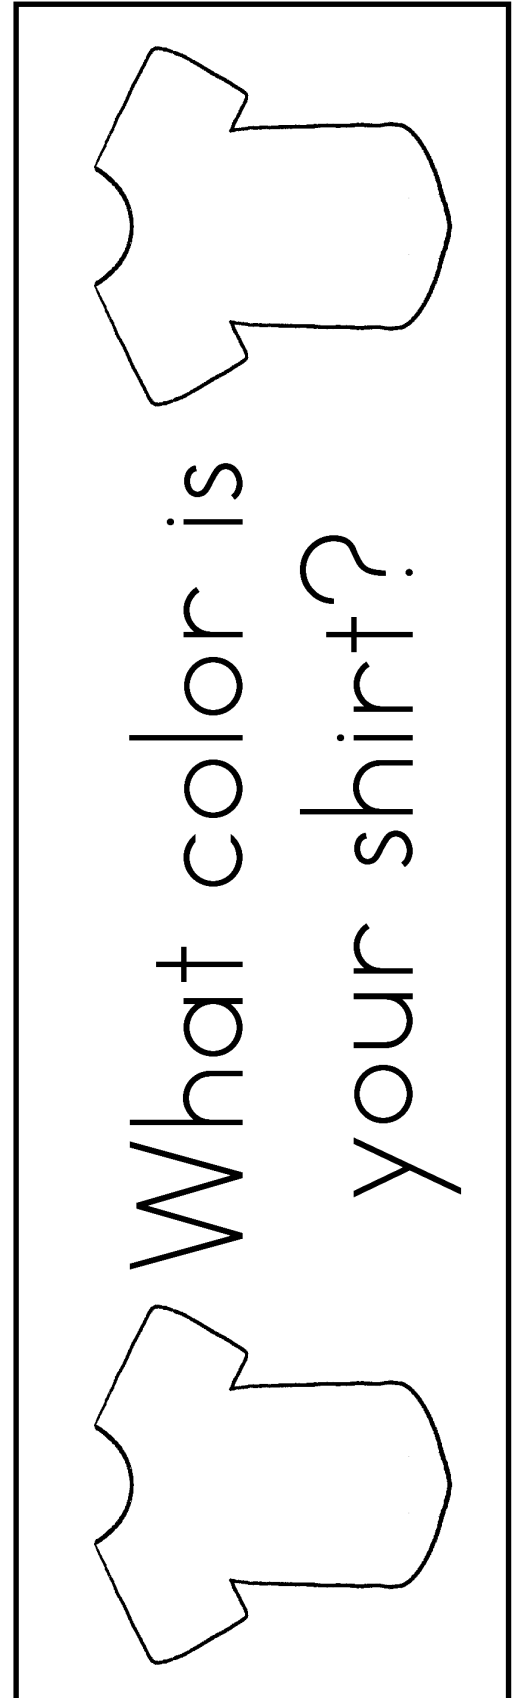

Included in this activity are shirt color cards, header card, shirt color labels, and graphing sheet.

Teacher Instructions:

Print off as many shirt color cards as you have students. Printing onto cardstock and laminating for durability is recommended. You can use this activity as a morning meeting activity or as part of an All About Me theme.

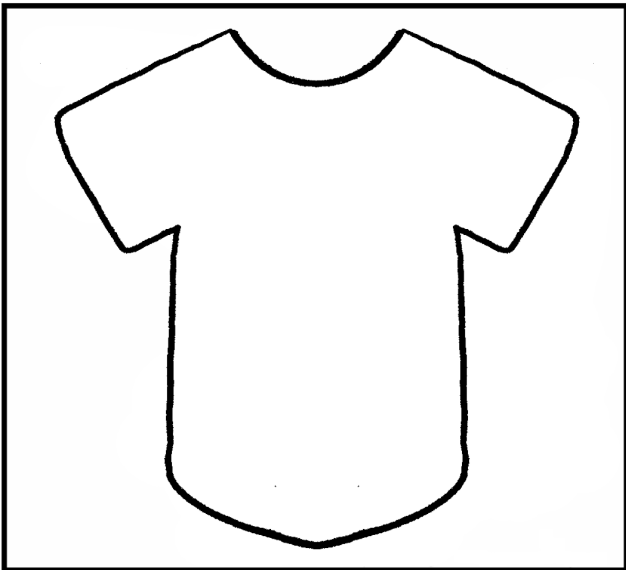

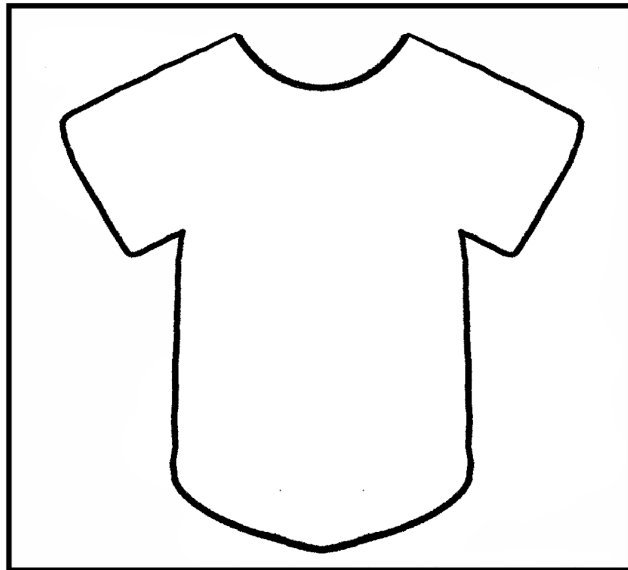

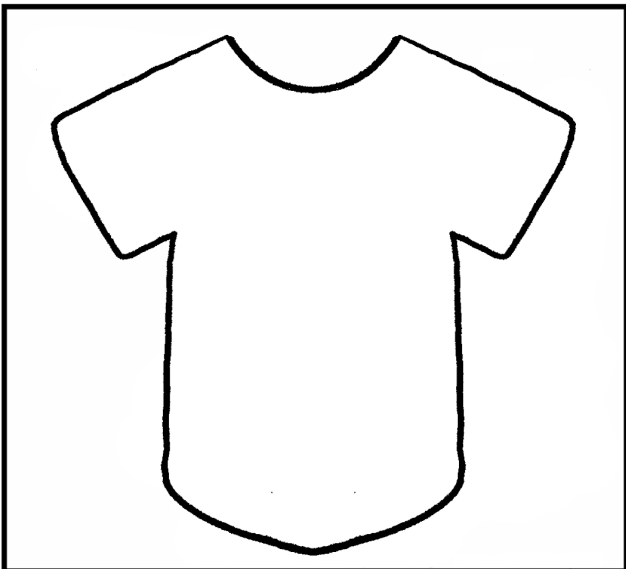

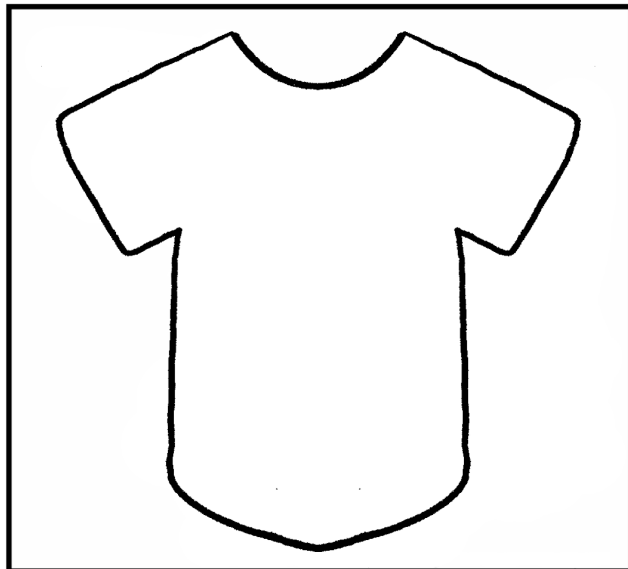

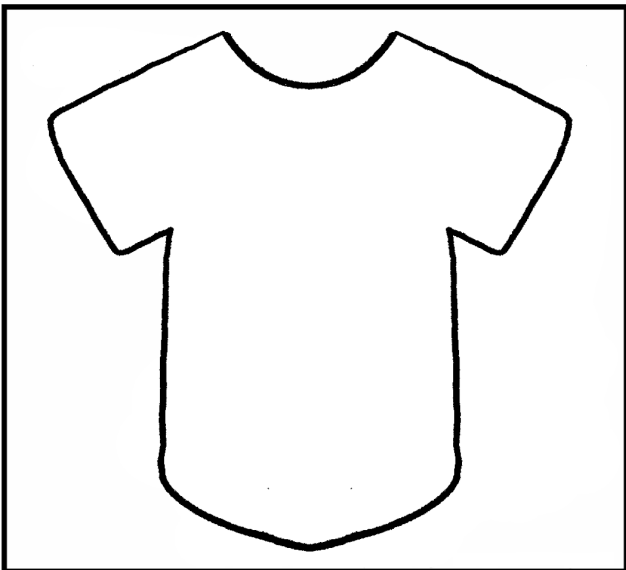

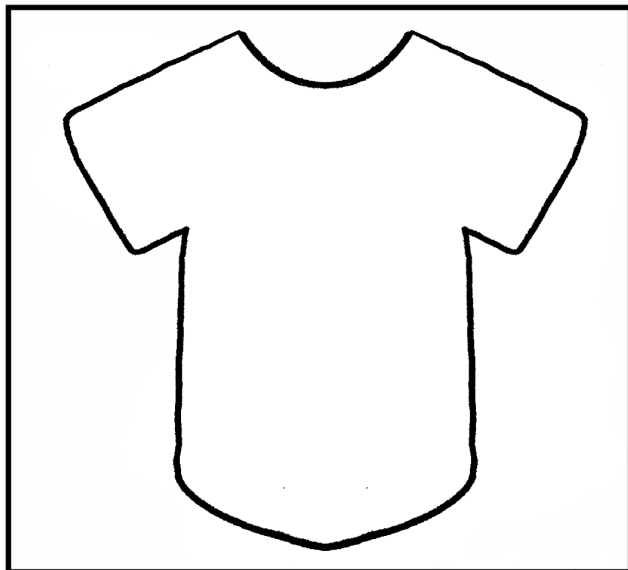

Student Instructions:

Select the shirt color card that matches your shirt color. Put the card on the pocket chart under the correct shirt color heading. Use the record sheet to graph the shirt colors of your classmates.
