

Here are all the things you'll need to make the secret reindeer food that will help my reindeer find their way to your house on Christmas Eve.

There are 2 spoons and 2 bags of secret ingredients. Use the big spoon to scoop out 2 spoonfuls of magic food. Use the little spoon to scoop out 1 spoonful of magic gold. Mix them together in a bag. Sprinkle this on your lawn or sidewalk on Christmas Eve so we can find your house or apartment.

Don't worry if some is left over. Sometimes reindeer don't eat a lot when they have to fly. I sent along some directions for you to take home with the magic food. Be good! HO! HO! HO!

Love,

Santa

Reindeer Food

Be sure to take this magic food
And sprinkle it on the lawn.
On Christmas, Santa's reindeer
Travel miles before the dawn.
The smell of oats and glitter path
Will guide them on their way.
And you'll wake up to Santa's gifts
Next morn on Christmas day!
