

Rudolph! Rudolph!

Rudolph! Rudolph!
What will you do?
You can't guide Santa
If your nose is blue!

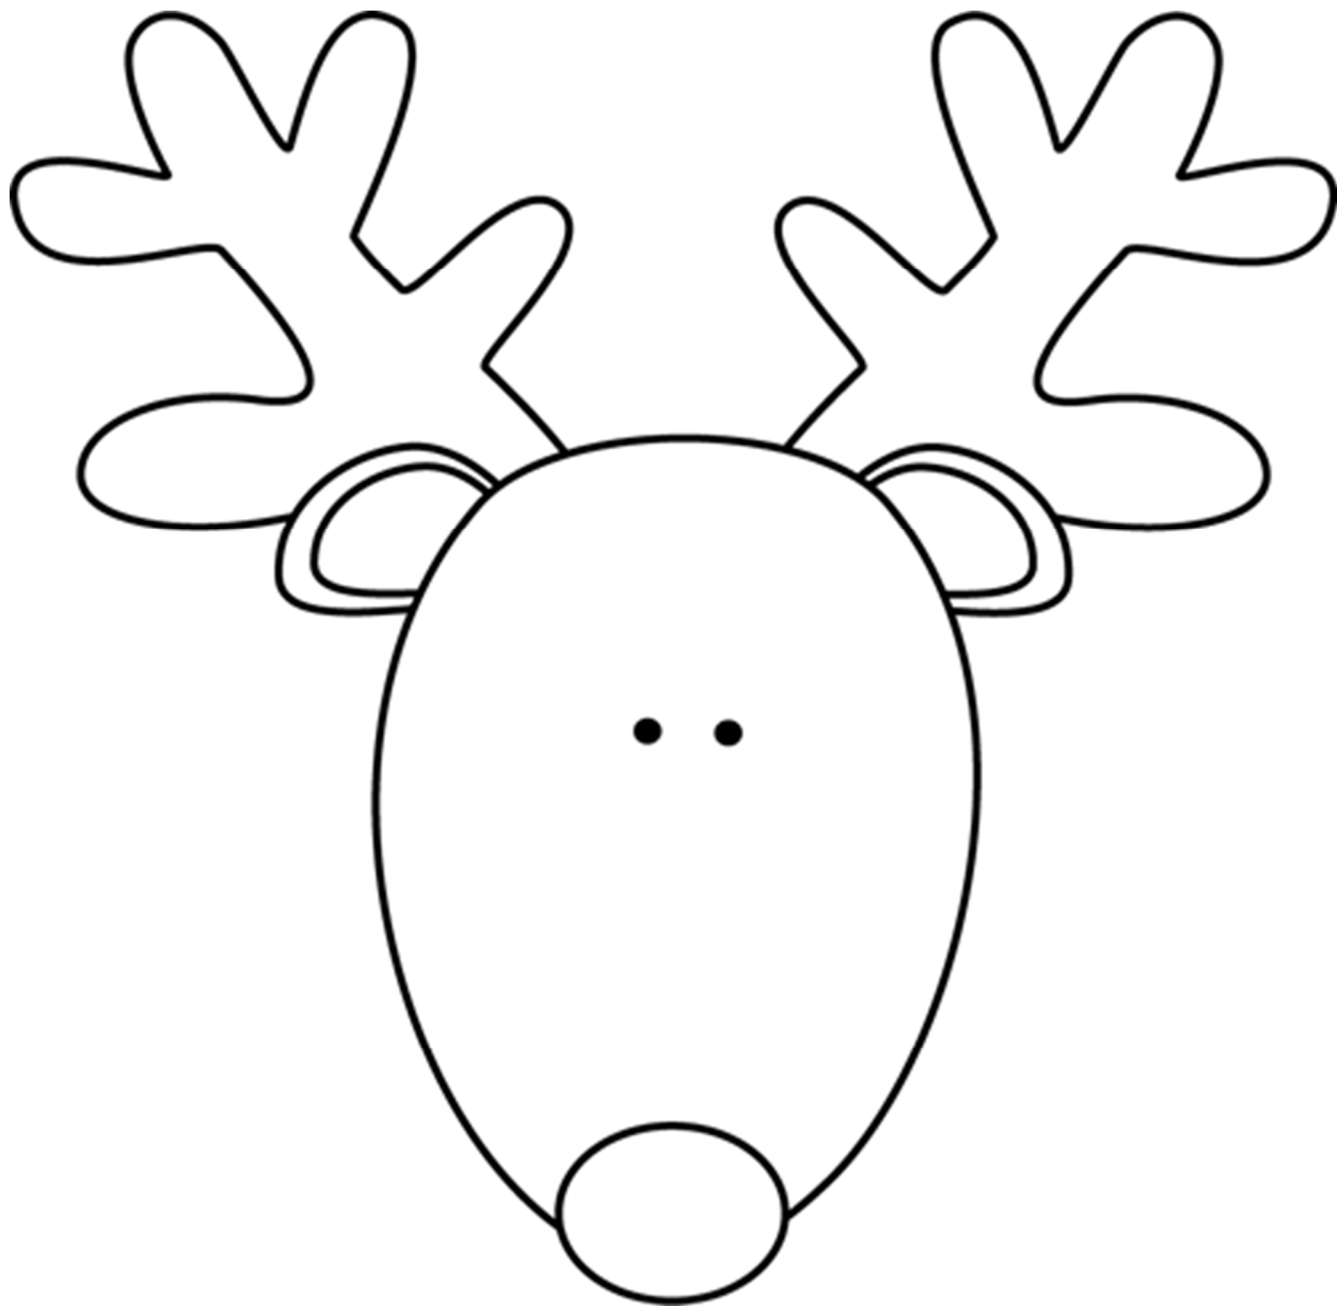

**Rudolph! Rudolph!
Santa gave a wink.
But what will he think
If your nose is pink?**

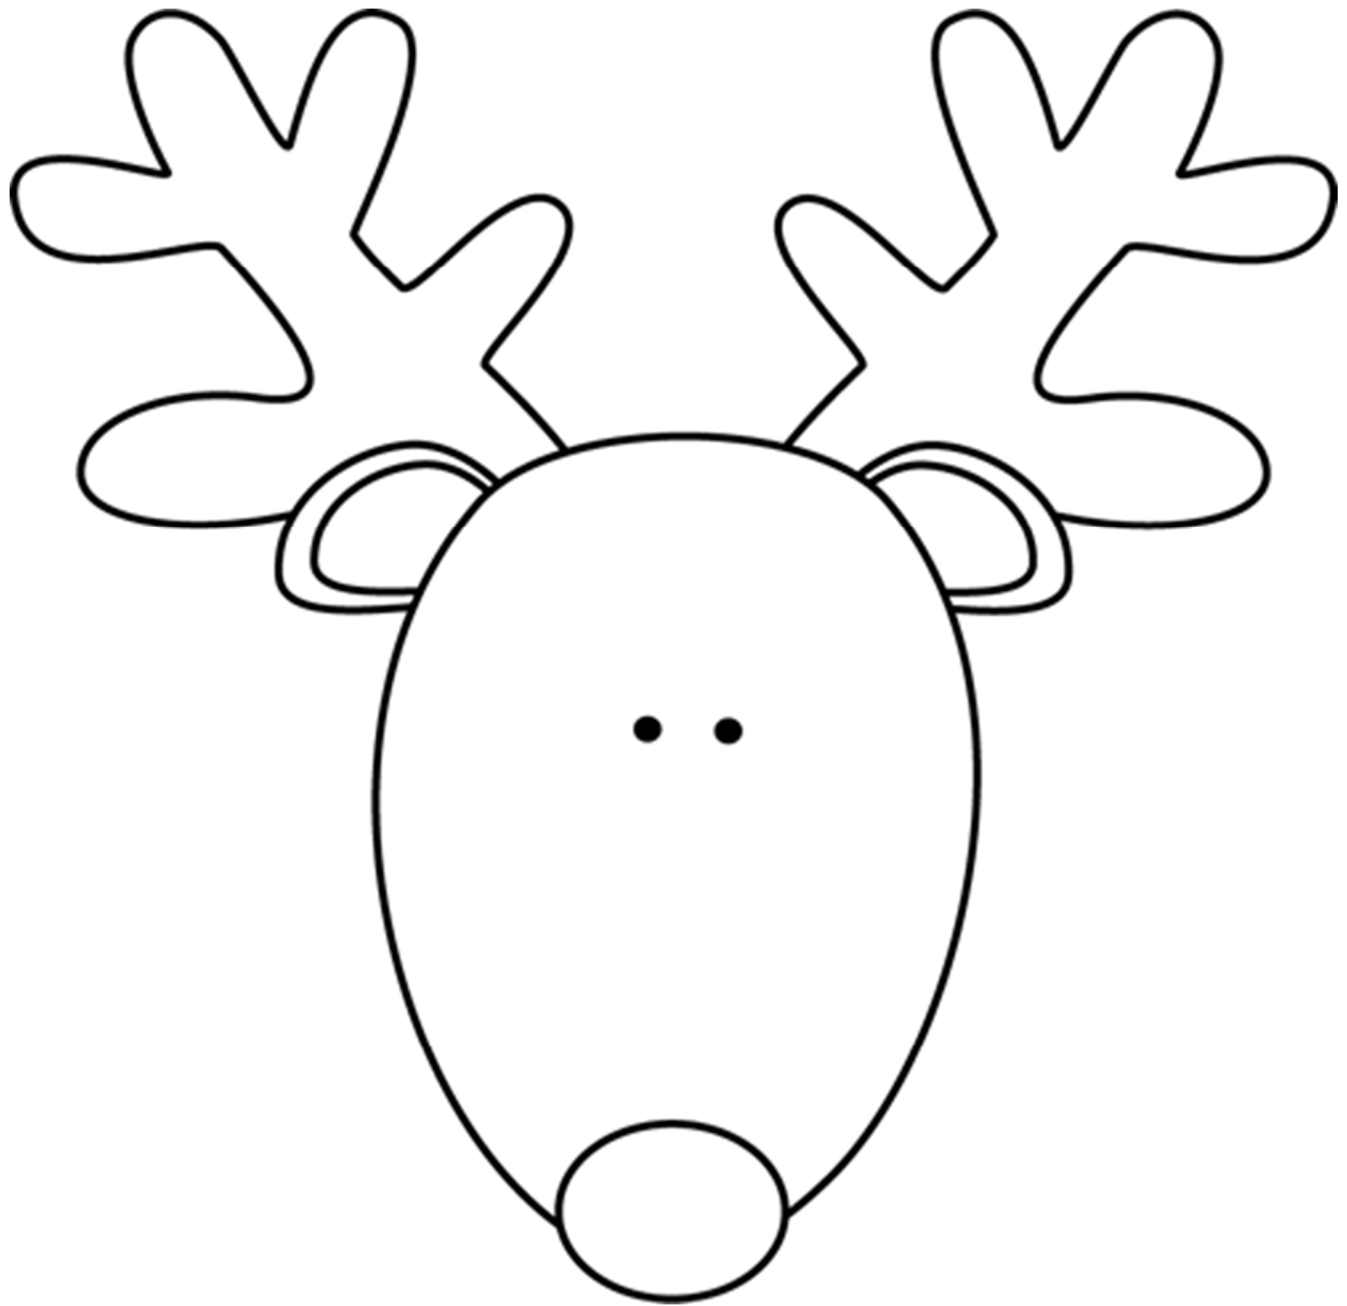

Rudolph! Rudolph!
Your way cannot be seen
Through the wintry weather
If your nose is green!

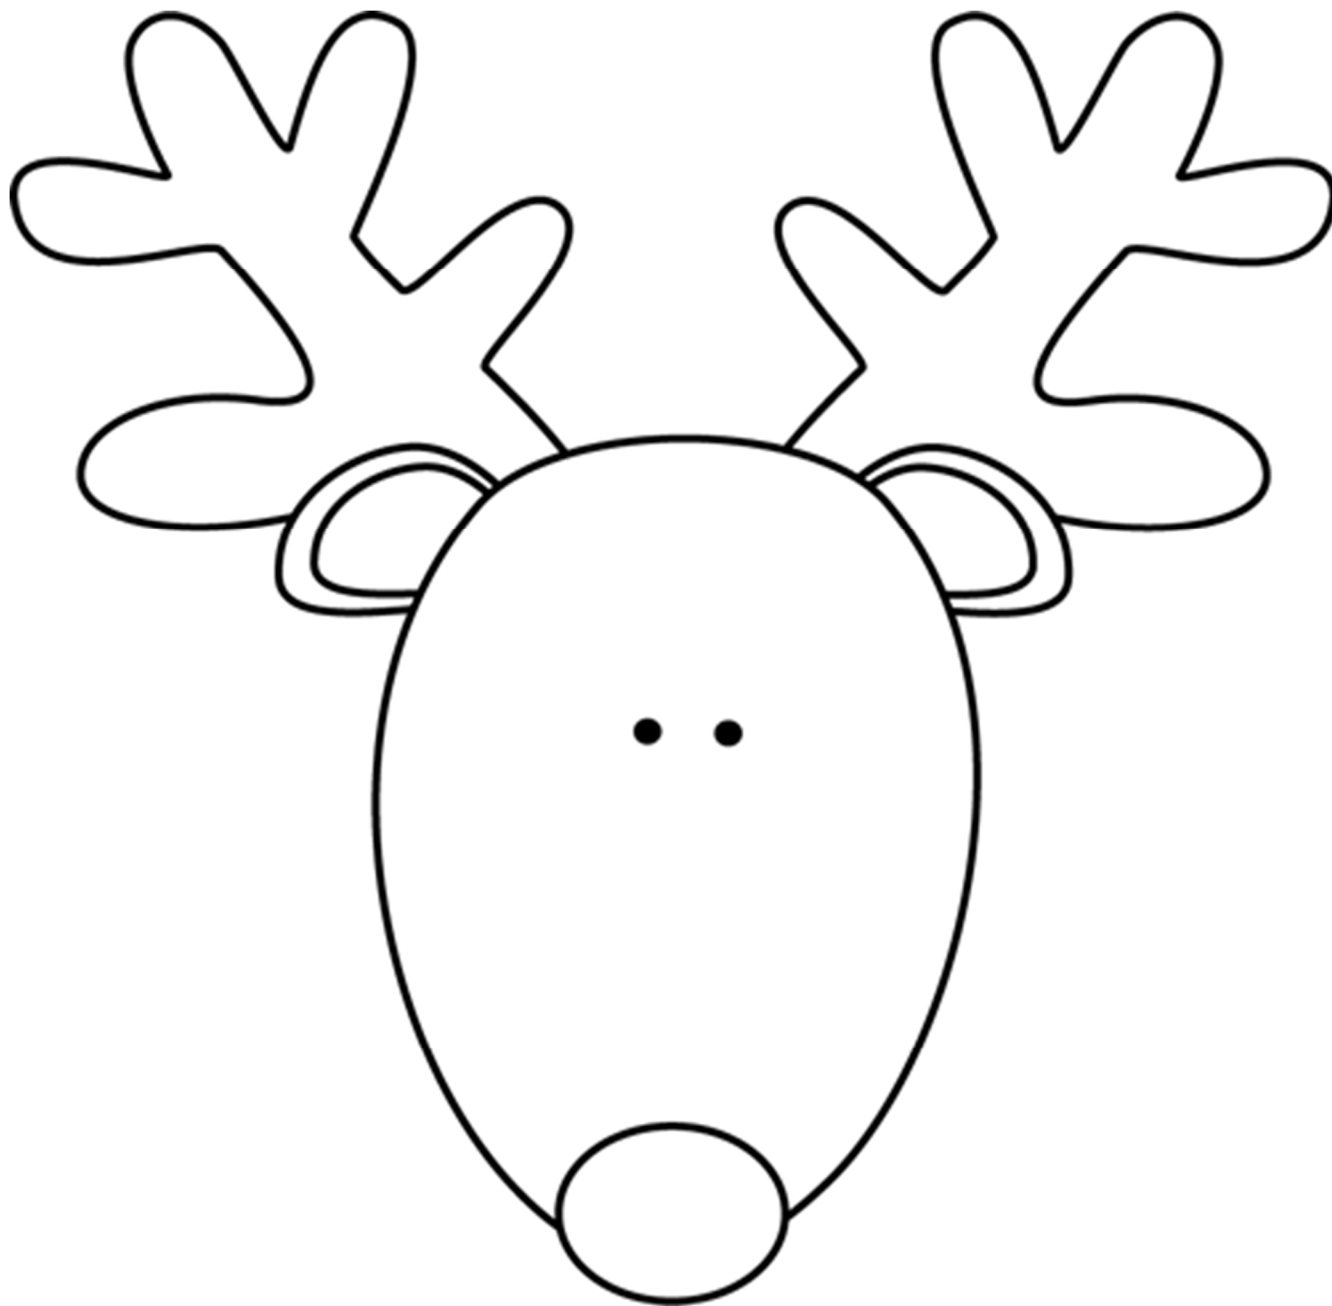

**Rudolph! Rudolph!
You're such a silly fellow
Who will know it's you
If your nose is yellow!**

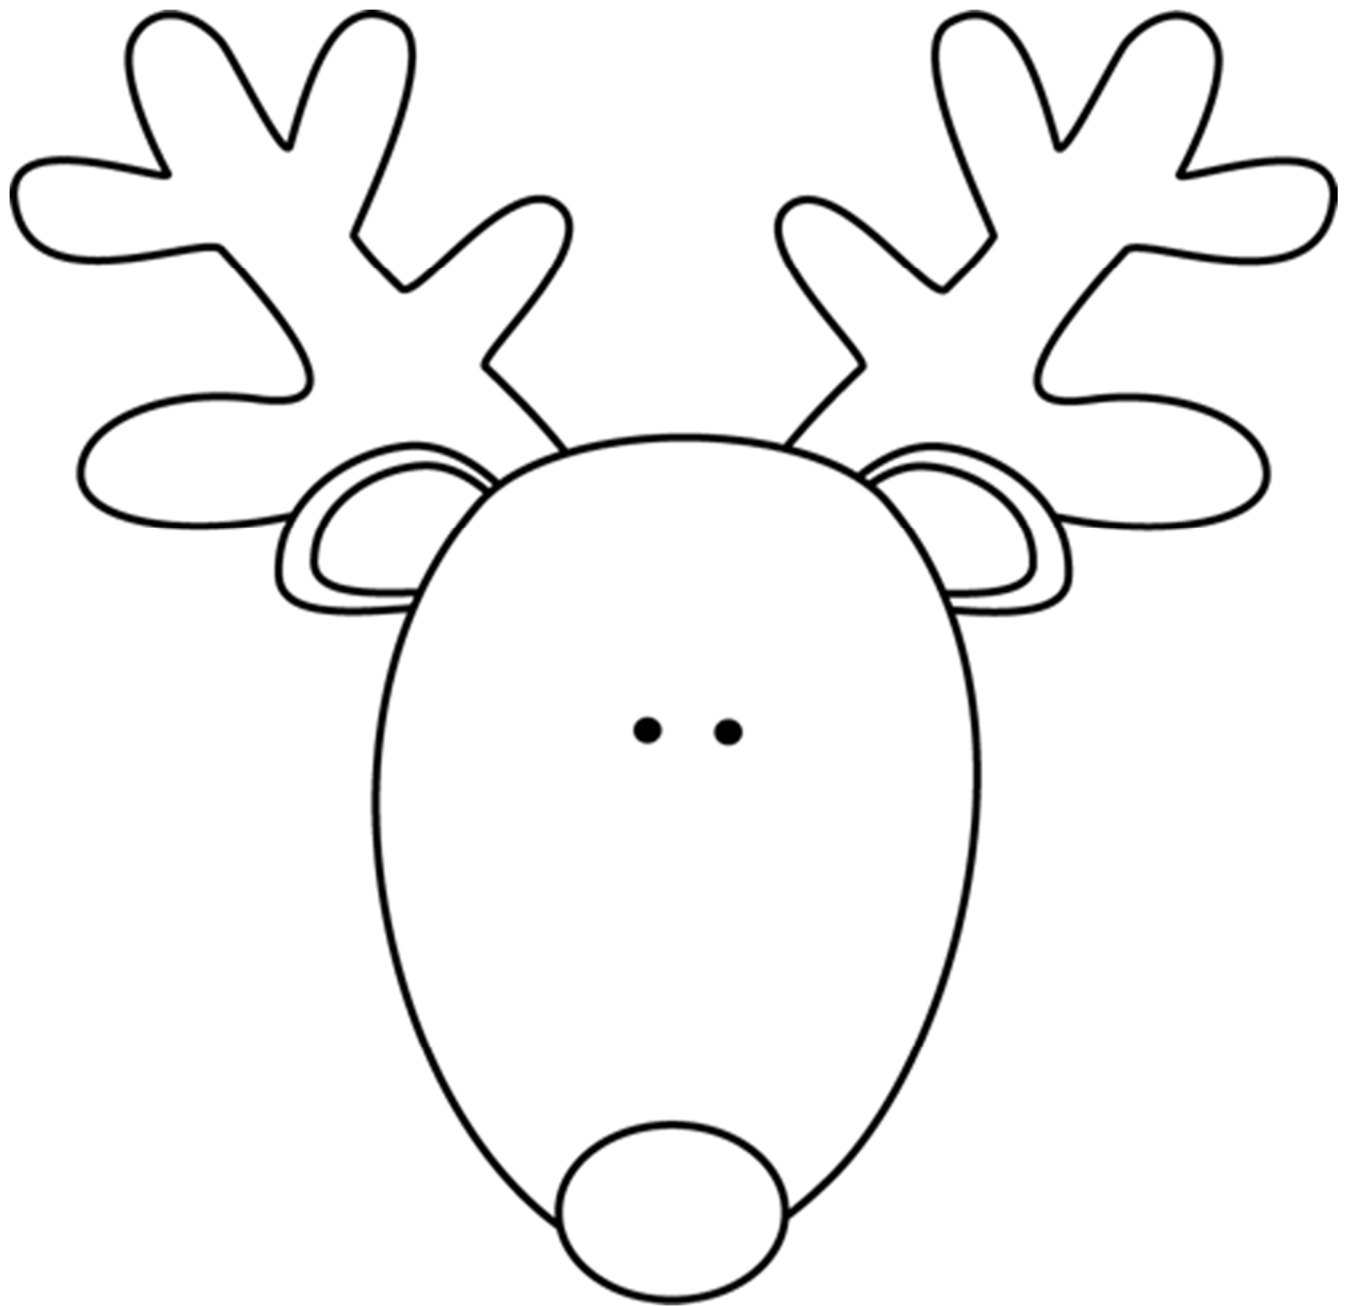

**Rudolph! Rudolph!
How will you get back?
You can't see in the dark
If your nose is black!**

Rudolph! Rudolph!
It's time to go to town.
But Santa's wearing a frown
'Cause your nose is brown!

Rudolph! Rudolph!
It's time to fly at night.
But you're quite a sight
'Cause your nose is white!

Rudolph! Rudolph!
The children are in bed.
And now I know you're ready
'Cause your nose is red!
